4,000

Banks/departments

all trust CONFIRMATION for
confirming financial data

Use CONFIRMATION to

- communicate with your clients and clients' auditors
- circulate audit letters internally and submit responses
- centralise all requests to one inbox and manage the audit response process from anywhere
- reduce costs and risks by minimizing the opportunity for fraud in the legal confirmation process
- increase efficiency with a quick and easy client authorisation process
- ensure internal policies and procedures for audit responses are adhered to firmwide

Validated Global Network

Financial data is sent between validated accounting firms, law firms and banks for their mutual clients, reducing the risk of sensitive data being accessed by an unauthorised party

Trusted and secure platform

600+ customer security audits performed annually
